Progress since June 2008			
<p>A review of the Partnership is still being undertaken to check how we are meeting the 'Hallmarks of Effective Partnerships' and to identify areas for improvement.</p> <p>An interim strategic assessment has been completed. The findings do not recommend any changes to the current partnership priorities.</p> <p>The planning and development of the annual strategic assessment for 2008 is underway. This will inform the annual refresh of the Community Safety Plan. The refresh will also be used as an opportunity to better align the local priorities with the LAA and develop local targets to facilitate effective performance monitoring.</p>
