

DETAILED DEVELOPMENT PLANS UPDATES - JANUARY 2010

FAREHAM COMMUNITY SAFETY PARTNERSHIP

COMMUNITY SAFETY PLAN 2008-2011

YEAR 2: PARTNERSHIP PLAN

Project Development Plan 1: Theft and Handling of Stolen Goods 2009/10

Action		Measure of Success	Link Officer	January 2010 Update
1.1	Purchase of anti-theft screws to give to residents/victims for new number plates/ hotspot neighbourhoods/owners of particular age and make of vehicles.	Reduction of number plate thefts in hotspot areas identified through the CTCG	Community Safety Co-ordinator	Not currently completed. No incidents of number plate thefts recorded this quarter.
1.2	Awareness campaign across the Borough to promote target hardening of vehicles (number plate thefts, locking of vehicles and removing visible personal property including satellite navigation cradles).	Reduction of number plate thefts Reduction of theft from motor vehicles	Community Safety Co-ordinator and Crime Prevention Officer	Radio and TV Ad currently running in Hampshire. Work on specific targeted areas where theft from and theft of vehicles has increased. EVA completed on Holy Hill Car Park and as a result two tri signs have been installed along with information poster in notice board. <i>Action- Zita to liaise with Crime reduction Officer re possibility that Car Park Officers can issue advisory notices to vehicles that have left valuables in view. Further work necessary to progress this.</i>
1.3	Conduct Environmental Visual Audits (EVA's) in areas identified through the CTCG as hotspot areas for vehicle crime.	Reduction of theft from motor vehicles	Community Safety Co-ordinator and Crime Prevention Officer	One EVA carried out in Holy Hill Car Park. Resulted in Tri-Signs being placed in car park. <i>Action- Glynis to inform if thefts of or thefts from vehicles have reduced since tri signs introduced.</i> 136 EVA's to date carried out by HFRS.
1.4	Investigate county wide solutions to theft of number plates.	To be completed by October 2009	Community Safety Co-ordinator	No incidents of number plate thefts recorded this quarter.
1.5	Environmental Visual Audit (EVA) in areas of pedal cycle	Reduction in pedal cycle thefts	Community Safety Co-ordinator	One completed to date by Crime Reduction Officer. EVA completed at Fareham Railway

	theft.			<p>Station. Recommendations passed to BTP.</p> <p>Work from Analyst in future may identify further 'hotspot' areas for pedal cycle theft.</p>
1.6	Work with retailers to promote the marking of goods that can be described as CRAVED* with UV pens at point of sale.	Increase in detection and identification of stolen property	Community Safety Co-ordinator	<p>Pens available. Currently with Crime Prevention Officer.</p> <p>Action- Crime Prevention Officer required to identify target retailers.</p> <p>Action- Councillor Mandry to ensure information is included in Town Centre Management Newsletter.</p>
1.7	Work with retailers where stolen goods may be exchanged regarding checking for marked items	Increase in detection and identification of stolen property	Community Safety Co-ordinator	<p>As Above.</p> <p>Retailers to include mobile phone shops and cash converters.</p>
1.8	Conduct covert operations in targeted areas in peak months to prevent and deter purse thefts	Reduction in number of purse thefts	Fareham District Commander	<p>2 Bulgarian females arrested for purse theft from victim in Charity shop in September. Both convicted and received 12 months custodial sentence.</p> <p>Operation Festive ran throughout December targeting purse thefts. Hundreds of lanyards also issued to shoppers along with Crime prevention advice. December is normally a peak month for purse theft reports. This year there have been less than 10 crimes reported as opposed to last year when there were more than 20. There is ongoing publicity to try and educate shoppers and store staff and several high visibility and Covert Operations have been run. There have also been cameras installed in some of the charity shops.</p> <p>Funding recently secured from Community Cashback 2009/10 scheme to be used to install 5 digital CCTV camera units within specific charity shops across the Borough to assist in detecting, preventing and deterring crime.</p>

1.9	Promote 'hiding milk in plant pots' scheme	Reduction in milk thefts	Community Safety Co-ordinator	Not currently completed.

*Concealable, Removable, Available, Valuable, Enjoyable, and Disposable

Project Development Plan 2: Road Traffic Collisions and Vehicle Nuisance 2009/10

Action		Measure of Success	Link Officer	January 2010 Update
2.1	Road Safety Session to be delivered to Fareham College and expand to all year 11 students in the borough (session to focus on wearing correct protective clothing for moped and scooter riders and safe and sensible driving).	Evaluation survey before and after session Impact Assessment on cohort 6 months after session	HFRS Group Manager	6 Youth interactions delivered by Hampshire Fire and Rescue Service 4 to Fareham College. New Community Fire Liaison Officer will develop delivery of moped safety to senior schools.
2.2	Deliver TRAPT courses in 09/10 to all those identified as high risk.	Evaluation survey before and after course Impact Assessment 6 months after course completes	HFRS Group Manager	8 TRAPT courses delivered by Hampshire Fire and Rescue Service. A further 4 to be delivered by the end of the year.
2.3	Pilot Scheme- Combination of LIFE course and TRAPT course delivered to 12 pupils at Portchester School (those identified as high risk).	Evaluation survey before and after course Impact Assessment on cohort 6 months after course completes	HFRS Group Manager	2 nd course being delivered to Porchester Community School. Meeting planned for delivery at Neville Lovatt School. New Community Fire Liaison Officer will take this forward.
2.4	Vehicle nuisance letters.	Reduction in number of repeat reports of anti social driving by individuals who have received a vehicle nuisance letter	Community Safety Co-ordinator	No details have been sent through from police. Cllr Mandry looking to set up meeting with Glynis and Inspectors to address this. Letters sent as a result of info from ACSO's in September 09. Covert CCTV used Overt CCTV used to identify perpetrators of vehicle nuisance.
2.5	Deploy Mobile Static Speed limit reminders to locations raised through CTCG, Community Engagement meetings (CATs) or through hotspots identified by the Safer Roads Partnership or Road Safety Council.	Reduction in calls in those specific areas. Reduction in Road Traffic Collision's in those specific areas Reduction in speeding fines in those specific areas	Fareham District Commander	All SNT's have deployed the tri-sign. No verifiable data available at present time for this quarter but sign has been deployed at least once a week on each area. FBC Executive have agreed to purchase four new speed limit reminders. Two will have the capacity to store information. These will be tasked via the

				Community Action Teams (CATs)
2.6	Investigate best practice around tackling young driver behaviour (17-24 years)	Recommend best practice projects to Fareham Community Safety Partnership by July 2009	Community Safety Co-ordinator	<p>Not currently completed.</p> <p>RPU carry out regular events where the pull people over and check vehicles. Action - Zita to investigate how many and where and outcomes from these.</p> <p>Noted that link between RPU and local Chief Inspectors should be strengthened. RPU District Inspector invited to attend future Fareham Community Safety Partnership meetings</p> <p>YOT run 26 programmes per annum at attendance centre to target young drivers that either live in Fareham or have committed an offence in Fareham as part of their sentence. Action- Jeff to provide further information.</p> <p>Action- Zita to write to Hampshire County Council Road Safety Council to request programme of events for alcohol related/ driver information across Fareham Borough for 2010.</p>

Project Development Plan 3: Rowdy and Inconsiderate Behaviour, and Criminal Damage 2009/10

Action		Measure of Success	Link Officer	January 2010 Update
3.1	Continue with Community Tasking Co-ordinating Group (CTCG)	100% of actions from the CTCG completed	Community Safety Co-ordinator	On going Action- Zita to liaise with Janet and Gilli re table of actions for 2009 financial year and outcomes.
3.2	Joint Agency Action Groups (JAAG)	Level of resident's satisfaction with measures undertaken on behalf of the JAAG via resident's consultation. Reduction of rowdy and inconsiderate calls in JAAG specific locations.	Community Safety Co-ordinator	On going Current JAAG in Portchester. Number of actions completed that have seen a significant reduction in rowdy and inconsiderate calls since JAAG instigated. Action- Glynis to investigate % reduction in calls. ASB Officer and Police 13 key individuals and delivered a zero tolerance initiative. This has been successful. Action- When JAAG ends residents satisfaction questionnaire to be devised and sent to residents.
3.3	Targeted JAAG raised through CTCG	Number of JAAGs that are not raised as JAAGs within a two year period of the first JAAG ending	Community Safety Co-ordinator	None required to date 100% year to date.
3.4	Set up an evening football club in areas of high football nuisance complaints	Comparison of number of calls regarding football nuisance before and after club started.	Community Safety Co-ordinator	Proactive work from the Leisure and Community Team. Football Development Officer in post. Lots of football clubs and teams in Fareham Borough. Work with FDO to identify hotspot areas during target months. Possibility of programme of events for summer period. Gosport, Portsmouth and Havant all do similar.

				Action- Zita to pass Carly Northcott's (Gosport Borough Council) details to Janie Millerchip.
3.5	ASB Panel	Impact Assessment on a cohort	Anti-Social Behaviour Co-ordinator	Ongoing YOT email all referral orders to ASB Officer to identify those individuals who are also causing a problem for partnership. Outstanding Action- Paul Briggs to email this list to Alison Clark (Police ASB Officer)
3.6	Policing Priority Areas (PPA's)	Reduction in calls in PPA areas	Fareham District Commander	By making an area a PPA, calls automatically reduce. Need to look at medium and long term solutions not just short term solutions. Action- Glynis- More information required re % reduction in calls for PPA areas. Requirement to start recording this as a measure of success.
3.7	Through inter-generational work positively influence public perceptions of young people	5% reduction of number of people in residents survey stating that this is a problem	Community Safety Co-ordinator	Inter- generational work carried out at Broadlaw Walk. New Community Building opened October 09 in Broadlaw Walk. Phase 1 started, 2 CCTV Cameras to be in re development. Crime Reduction Officer involved in designing out crime by reviewing all relevant planning applications.
3.8	Parental support for parents referred by ASB panel (Positive Parenting Programme)	Reduction in the number of children (whose parents have completed a course) who are a repeat referral to the ASB panel	Anti-Social Behaviour Co-ordinator	Not completed. Action- ASB Officer to progress
3.9	Early intervention: Raise awareness of and utilise the Prevent and Deter process to identify persons at risk of becoming offenders via Youth	Reduction in 10-13 year olds attending final warnings/referral orders via Wessex Youth Offending Team (WYOT)	Anti-Social Behaviour Co-ordinator	Ongoing Via YISP Action- ASB Officer to contact YISP to get further information

	Inclusion and Support Panel (YISP)			Action- Zita to invite YISP manager to next CSP to give a short presentation
3.10	Early intervention: Warning visits/letter to individuals who have been noted on the ASB database on more than two occasions	Reduction in number of individuals who received a warning visit/letter with a third repeat notification on the ASB database (or additional intervention)	Anti-Social Behaviour Co-ordinator	On going Action- ASB Officer to provide further information
3.11	Inter agency training on ASB best practice in dealing with individuals engaging in low level ASB (not crimes)	Increase in referrals to ASB panel from agencies who have received training.	Anti-Social Behaviour Co-ordinator	Completed but further training being arranged through temporary ASB Officer. ASB Policy document completed. Outstanding Action Plan. Action- ASB Officer to progress.
3.12	Continue to hold and develop best practice for Reprimand Clinics	Reduction in re-offending of those who have received an official reprimand	Anti-Social Behaviour Co-ordinator	On going Outstanding Action- Glynis to identify number of Reprimand Clinics held this year to date
3.13	Continue to contact every victim of criminal damage	Increase in detection rate for criminal damage	Fareham District Commander	Dip samples carried out on victims of damage – Majority are contacted within 24 hours of report. Damage reports: 2007 – 492 -14.75% 2008 – 514 – 14.73% 2009 – 287 – 14.55% Action- Glynis to clarify these percentages and what they mean.
3.14	Use of MOSQUITO in areas (where appropriate) identified by CTCG as a problem for young people gathering	Reduction in calls where mosquito has been installed	CTCG Chair	Not completed Outstanding Action- Glynis to confirm force policy regarding the use of MOSQUITOS.
3.15	Use of Deployable CCTV camera in areas (where appropriate) identified by CTCG	Reduction in calls where deployable CCTV has been cited.	CTCG Chair	Completed. Overt Camera deployed twice and shortly to be deployed a third time. Covert camera deployed. Both deployed via the CTCG

				Tables now produced for areas where camera deployed which detail all 101 calls with results from CCTV footage.
3.16	Create and use PPA Problem solving Template	Reduction in repeat PPA areas	Community Safety Co-ordinator	Not completed Action- Zita to produce a PPA Problem Solving Template/ checklist
3.17	Propose a Restorative Justice approach to tackle low level ASB	Propose and recommend a Restorative Justice approach to Fareham Community Safety Partnership by September 2009	Community Safety Co-ordinator	Some work being delivered by the YOT as part of their existing work and subject to statutory requirements. Fareham Shopping Centre and in talks with YOT regarding restorative justice. No restorative justice work for those not on orders. Action- Zita to contact Catch 22 and Headway as both organisations use Restorative Justice Techniques.
3.18	Activities to be set up on a Friday night for young people- through Fareham Alcohol Action Plan	Reduction in rowdy calls on Friday nights in areas where activities are provided.	Community Safety Co-ordinator	Completed Youth Centre now open on Friday evenings in Portchester. If successful this maybe something that we would want to pursue and support in other targeted areas. Pilot of Hot Choc Project running January 2010 in areas raised via the CTCG and Community Action Teams (CATs)
3.19	Support the Children's and Young Persons Thematic Partnership in events during the months of April and August	Reduction in calls during April and August	Community Safety Co-ordinator	Not completed Action- Zita to advise Janie Millerchip to contact Carly Northcott as per action 3.4
3.20	Environmental Visual Audits raised from CTCG	Number of EVA's completed in areas that are not raised as priority areas again within 1 year of the EVA being conducted.	CTCG Chair	1 Completed as a result of the CTCG- Holy Hill Car Park. A number of actions have been delivered as a result.

3.21	Introduce foam balls in suitable areas identified as having football nuisance.	Reduction in number of complaints re football nuisance and noise in those areas where foam balls have been introduced.	Community Safety Co-ordinator	Information gathered from New Forest District Council. Ares to be identified via the analyst for targets areas over the summer months. Areas also to be identified via the PCSO's and ACSO's.
------	--	--	-------------------------------	--

Project Development Plan 4: Drug and Alcohol Misuse 2009/10

Action		Measure of Success	Link Officer	January 2010 Update
4.1	Develop and establish a best practice model for an Alcohol Brief Intervention Scheme and monitoring and evaluation process	Reduction in alcohol related offending in a cohort of those who have completed brief interventions	Health Improvement Partnership & Programme Manager	<p>The ABI service continues to develop in SE Hampshire and an Interim Evaluation Report has been produced to mark 6 months. More detailed data analysis is in progress now to assess overall performance and impact. Data will also be cross-checked with police data to assess patterns of repeat alcohol-related offending.</p>  <p>ABI Interim Report Oct.09</p>
4.2	Test Purchase Operations- zero tolerance to underage sales	Reduction of Test Purchase Order failures in off licenses and drinking establishments.	Fareham District Commander	Between October and December we carried out 3 juvenile test purchase operations. The first two saw 18 & 16 premises tested with 3 failures on each occasion. The last one tested 17 premises with 1 failure, so a big improvement. Further tests planned for early February.
4.3	DPPO operations to be targeted in areas of reported under- age drinking via the CTCG	Reduction of volume of alcohol confiscated Reduction of calls regarding street drinking and youths in drink (rowdy calls) in areas where DPPO has been enforced via operation.	Fareham District Commander	<p>Rowdy Calls:</p> <p>2007 – 1030 2008 – 858 2009 – 730</p> <p>2 Operations to enforce DPPO plus multi-agency operation on Hallowe'en. No alcohol seized.</p> <p>Action- Glynis to clarify alcohol seized</p>
4.4	Ensure Fareham Community Safety Partnership- Alcohol Action Plan is delivered, monitored and evaluated.	Project running until December 2009	Community Safety Co-ordinator	<p>Completed.</p> <p>All actions within strategy completed. Under spend committed for additional December Test Purchase Operation which was very successful.</p> <p>Ongoing work with Police and LA Licensing teams.</p>

				<p>Parent Alcohol leaflet delivered to every off licence across Fareham during summer ASB Campaign. Enough leaflets left to do this in Summer 2010.</p> <p>Action- Zita to provide final financial report for the Strategy finances.</p>
4.5	Support delivery of the flagship Hampshire Alcohol Strategy 2008-2011, 10 point plan	March 2010	Health Improvement Partnership & Programme Manager	<p>Progress on actions supporting the delivery of the 10 Point Plan have been refreshed and assessed as of Dec. 09. Actions where progress has been achieved have been coded to reflect this.</p> <p> Alcohol 10PP Refresh Dec. 09</p> <p>Action- Zita to forward details of the Fareham Alcohol Action Plan to Mike Webb and details of the Parent Alcohol Leaflet.</p> <p>Alcohol DVD initiative sessions being investigated via Zita and Police Licensing Officer. Further work to be completed.</p>
4.6	Target those individuals who are proven to be dealing in Class A drugs by implementing the powers available to the CSP in relation to Crack House Closures.	Number of Crack House Closures obtained compared to number of Crack House Closure applications.	Fareham District Commander	<p>Nil since April 2009</p> <p>Noted that there will be a big focus on illicit tobacco over next few years and this should be a future consideration when completing next Strategic Assessment.</p>
4.7	Take robust action to target areas identified as areas subject to having drug and alcohol paraphernalia	Reduction in drug and alcohol paraphernalia that is removed by Local Authority	Monitoring and Enforcement Officer	<p>On going</p> <p>Action- Zita to gather further information from Angie Ostler.</p>
4.8	Alcohol Testing Strips	Increase in confiscations of disguised alcohol	Fareham District Commander	<p>Testing strips with all SNT staff. No specific data available re. disguised alcohol this quarter.</p> <p>Action- Glynis to provide further information</p>

Project Development Plan 5: Violent Crime 2009/10

Action		Measure of Success	Link Officer	January 2010 Update
5.1	Encourage all new premises or change of premises to introduce safer measures in Fareham town centre.	Increase in licensed premises using polycarbonate glasses by 2010 Reduction in number of violent crime offences in town centre	Fareham District Commander	Premises are still be encouraged to switch to polycarbonate and we now have the Lord Arthur Lee using polycarb outside and throughout on Friday and Saturday nights. In addition we are in the process of reviewing Chicago Rocks licence and will ask for the voluntary use of polycarb to become a licence condition. Any other reviews where violence is a factor will have this condition requested. PS Jennings is looking at funding sources to purchase polycarb to give out to high risk premises to try out and hopefully this will encourage them to switch. This is an ongoing action.
5.2	Police to take positive action against perpetrators of domestic abuse in every instance.	Number of reports of domestic abuse per month Number of arrests for domestic abuse per month Number of sanction detections for domestic abuse per month A reduction in repeat victims of domestic abuse per month	Fareham District Commander	<p>Domestic CRIME figures</p> <p>September Domestic Crimes: 24 Detection Rate: 62.50% Domestic Arrests: 18 (75.00%) Repeat Victims: 5</p> <p>October Domestic Crimes: 30 Detection Rate: 3.33% Domestic Arrests: 21 (70.00%) Repeat Victims: 4</p> <p>November Domestic Crimes: 25 Detection Rate: 24.00% Domestic Arrests: 16 (64.00%) Repeat Victims: 7</p> <p>December Domestic Crimes: 23</p>

				<p>Detection Rate: 43.48%</p> <p>Domestic Arrests: 16 (69.57%)</p> <p>Repeat Victims: 5</p> <p>Action- Glynis to confirm if Domestic Crimes refer to domestic abuse.</p>
5.3	Raise awareness of this positive action and all successful cases.	Increase in domestic abuse reporting	Fareham District Commander	<p>Number of all domestic INCIDENTS</p> <p>September: 80</p> <p>October: 73</p> <p>November: 68</p> <p>December: 75</p>
5.4	Those seriously at risk of domestic abuse will be identified as high risk and measures put in place to reduce risk of them becoming repeat victim. This will be through the MARAC.	Number of victims managed through MARAC per quarter. A reduction in repeat victims whilst under MARAC	MARAC Co-ordinator	Action- Zita and Glynis to provide further information
5.5	Fareham and Gosport Family Aid to work with and support victims of very high risk through the court process to increase confidence and reduce risk of them becoming a repeat victim.	Number of very high risk victims supported through the court process per quarter	Fareham and Gosport Family Aid	On going
5.6	Fareham and Gosport Family Aid to provide floating support and DA Alarms to victims where appropriate.	Number of high risk victims supported per quarter	Fareham and Gosport Family Aid	<p>Ongoing. 45 Alarms in use in Fareham.</p> <p>Zita working with Fareham and Gosport Family Aid to investigate possibility of further support to repeat victims but without intensive support. Additional work required on this project.</p> <p>Zita also working with Fareham and Gosport Family Aid to secure a further years funding for DA Alarms. Additional work required on this project.</p>
5.7	Support the delivery of the Domestic Abuse County Strategy	March 2010	Community Safety Co-ordinator	<p>On going.</p> <p>Work on Fareham and Gosport Domestic Abuse Forum. Community Safety Co-ordinator now</p>

				<p>chairing this meeting. County co-ordinated commissioned approach to delivering set hours of IDVA service provision across Hampshire</p> <p>Zita passed details of Fareham and Gosport Family Aid to Peter Watson so FRS can identify high risk individuals for Home Safety Check.</p>
--	--	--	--	--

Project Development Plan 6: Neighbour Issues 2009/10

Action		Measure of Success	Link Officer	January 2010 Update
6.1	Fareham Borough Council to record all individual neighbour disputes for a 6 month period	To be completed by December 2009	Community Safety Co-ordinator	Not completed Environmental Health have out of hours noise complaint service.
6.2	Create a toolkit for FBC Officers- Neighbour Disputes	Reduction in officer time dealing with private neighbour disputes	Community Safety Co-ordinator	Not completed
6.3	Produce leaflet/ web link for 'Dealing with a Neighbour Dispute' for the public	Reduction in officer time dealing with private neighbour disputes	Community Safety Co-ordinator	Not completed
6.4	Investigate a suitable Mediation Service that Officers can refer members of the public too	Reduction of officer time in dealing with private neighbour disputes Reduction in repeat callers regarding neighbour disputes	Community Safety Co-ordinator	Not completed

Project Development Plan 7: Partnership Development to meet Six Hallmarks of Effective Leadership 2009/10

Action		Measure of Success	Link Officer	January 2010 Update
7.1	Establish a Performance Group and Performance Framework	To be established by April 2009 Terms of Reference to be agreed by May 2009 Reporting Procedures to be agreed by May 2009 Performance Management processes to be agreed by May 2009	Community Safety Co-ordinator and Community Safety Analyst	Completed
7.2	Marketing and Communications Strategy	To be completed by July 2009	Community Safety Co-ordinator	Not currently completed Obtained examples of several Marketing and Communications Strategies Discussion around engagement opportunities and difficult to reach groups. Outstanding Action- Peter Watson to contact Portsmouth University Business School to see if students would like to conduct a research project on best ways for Fareham Community Safety Partnership to target communities and engage with hard to reach groups.
7.3	Community Safety Practitioners portfolio	Fareham Community Safety Partnership Portfolio or website to be established	Community Safety Co-ordinator	Not completed
7.4	Project Proposals	Financial year 09/10 project proposals should be drafted in order for projects requiring funding to be appropriately evaluated. This will be particularly important for the partnership once the funding for 2010/11 onwards is based on a commissioning process.	Community Safety Analyst	Report template will be kept for outstanding funding at end of financial year.
7.5	PREVENT Building resilience to extremism	Organise training for front line staff to encourage better reporting of issues which may relate to persons or activities involved in extremism	Community Safety Co-ordinator	Completed
