

Feedback from Thematic Partnerships: December 2007

Thematic Partnership			
Fareham Planning and Sustainability Partnership			
Emerging Priorities			
How can you make a difference?	1	Respond to consultations on the Local Development Framework	
	2	Networking with other Partnerships	
	3	Review other ideas for Key Issues and Priorities following consideration of the Baseline Report	
Links to Hampshire Local Area Agreement Priority Outcomes			
LAA Priority:	3	Improve the co-ordination of transport and access to services across the county. <ul style="list-style-type: none"> • Increase the range of services that are accessible. • Remove non-transport barriers to access by improving the design and delivery of services and facilities. • Improve transport by smarter use of existing services and pooling of vehicles. • Pilot studies to be undertaken. 	
	7	Use material resources more efficiently. <ul style="list-style-type: none"> • Reduce construction waste by substitution of recovered materials in new build development and major refurbishment. • Increase recycling in the non-municipal sector.

Terms of Reference			
Have Terms of Reference been agreed? (✓)	Yes	✓	No
<p>If 'Yes', what are the main Aims?</p>	<ul style="list-style-type: none"> • To implement Fareham's Sustainable Community Strategy by promoting or improving the planning and sustainability of the borough, setting out the longer term vision and key priorities, identifying delivery mechanisms, tracking progress and contributing to the review of the Strategy as required. • To implement the local delivery of the priority outcomes for planning and sustainability in the Hampshire Local Area Agreement. • To adopt and take ownership of the vision, goal, principles, aims, objectives, activities, indicators, baselines and targets related to planning and sustainability while keeping a lateral view of connected and cross-cutting issues. • To encourage opportunities for better ways of working, joint working, delegation and joint or shared resources where appropriate. • To monitor and review progress and periodically report to the networkfareham Board on performance. • To ensure that the Local Development Framework is 		

	<p>consistent in its vision and able to deliver the key spatial planning objectives of the Sustainable Community Strategy in line with the principles and requirements of national, regional and sub-regional planning policy.</p> <ul style="list-style-type: none"> • To consider issues, options, preferred options, proposals and draft policies for each plan (Local Development Document) within the Local Development Framework, through consultation with the other Partnerships and reference to the networkfareham Board as necessary. • To ensure quality of life and quality of environment for local residents. • To ensure access to services and improving accessibility. • To consider cross boundary issues with adjoining authorities. • To consider decisions taken by the Partnership of Urban South Hampshire and provide feedback. 		
If 'No', what progress has been made?
